©2010 Dena McKitrick. "Mother Love." - original 11"x15" watercolor & prismacolor pencil painting. Poetry from The Daily Napkin, another gift of love, shared from the heart. May you be blessed with days full of love all of your life, and may you know true peace in your heart.

I freely share my images and poetry with you, celebrating prosperity humanity and the joyous heart. If you use them for any purpose beside printing and sharing this card, please attribute creation to me or my website.

Dena

Wrapped, warm, safe, steady
unconditional always
The seas of life may toss about
still my heart is warm and glad
comforted always by your love
