©2010 Dena McKitrick. "Marlow." - original 22"x30" watercolor and prismacolor pencil painting. Poetry from The Daily Napkin, another gift of love, shared from the heart. May you be blessed with days full of love all of your life, and may you know true peace in your heart.

I freely share my images and poetry with you, celebrating prosperity humanity and the joyous heart. If you use them for any purpose beside printing and sharing this card, please attribute creation to me or my website.

Dena

more than enough
everything filled, overflowing
joy, peace, love, bliss even
ever running over
abundance of spirit
prosperity of the soul
blessings
