©2010 Dena McKitrick. "Friends." - original 11"x15" watercolor painting. Poetry from The Daily Napkin, another gift of love, shared from the heart. May you be blessed with days full of love all of your life, and may you know true peace in your heart.

I freely share my images and poetry with you, celebrating prosperity humanity and the joyous heart. If you use them for any purpose beside printing and sharing this card, please attribute creation to me or my website.

Dena

*on any given day
when my belief may have waned
or the times I was filled with self
you've been there beside me*

You're the best kind of friend

*whether in my quiet times or
when I'm dancing in delight
I know gratitude
for you in my life*
